

## Club Rules 2020

In compliance with the Governor Whitmer's orders:

If you have underlying health issues or are not comfortable with the level of risk that tennis brings, please refrain from playing tennis. Play is your choice and at your own risk.

Security: Members are responsible for making sure the Parker Street door to the club is closed and locked.

Please make sure the clubhouse door is locked and the security system is activated if you are the last to leave the clubhouse.

Only Individuals 21 years and older are allowed at the Club unless for a specific family event.

Dogs are not allowed on the grounds.

Court play is limited to one set if others are waiting to go on. If the set is 6-6, a tie-breaker is allowed.

Restrooms and changing areas are open – only one user at a time.

Showers are allowed – bring your own towel(s).

Singles play is prohibited when others are waiting to go on – and the singles players do the inviting.

Social distancing of six feet should be followed.

Attire must be designed for tennis. Please dress neatly and help us to maintain the relaxed but tasteful look and feel of IVTC. Playing shirtless is not allowed. Tennis shoes have shallow treads so as not to tear up the court.
